On behalf of the Florida Planning & Zoning Association, I am pleased to invite you to share in the goals of our organization to promote and encourage observance of sound planning and zoning practices in our state through sponsorship of the 2025 State Conference. This year's theme is *"What's Old is New Again!"*.

This year's conference will be held June 4th through June 6th at the Casa Monica Resort in the heart of historic St. Augustine.

The annual FPZA State Conference brings together planning professionals from various disciplines, including public and private sector planners, developers, attorneys, elected officials, engineers, citizens, environmentalists, and design professionals. We are working to ensure the 2025 conference provides an opportunity to advertise and network with public and private land planning professionals around the state, as well as, provide outstanding educational sessions while supporting FPZA.

Your sponsorship is also an opportunity to promote your company's name and recognition through the State Conference, FPZA activities, the Overview newsletter, and the awards program. Your conference sponsorship is used to defray the cost of registration and encourage student participation at minimal or no cost. Thank you in advance for your consideration. Please contact me directly at (386) 212-1942 or email: colleen@ldrgdaytona.com with any questions.

Respectfully,

Colleen Miles
